

trap house

click clack
what's that i see
a black man walking down the street
let's go see his mindset
let's go see if his minds set
mine's set on death
THERE ARE

gasp
then fill my lungs up with air when I see what's coming near
put my hands up and cooperate
man fuck it
I'm gonna get shot anyway
TOO

ughh he's running
lets go after him
I want to see him stop moving
I want to see him drooling, gasping for air
right corner
quick turn
MANY

open door
run downstairs
but he's going know I'm there
call my moms tell her bye
we don't know if it'll be the last time
quick now hide
BLACK BODIES

ahh he's in there
here nigger nigger nigger
oh no you're safe, God's got you now
wait what's that
turn around
lights turn on
DROPPING

what's that i see a pig all alone
click clack
you've now met your match
THERE ARE TOO MANY BLACK BODIES DROPPING BUT LOOK NOW
